Dear Parents/Carers,

This, my final letter to parents and carers, heralds a new era for Irlam & Cadishead College. It remains for me a high point of my career that I have had the opportunity and privilege to have worked with wonderful young people, supported by their parents/carers and teachers. As you know, Ms Linda Foley will lead the College as Principal in September – such a good appointment! I am absolutely confident that Ms Foley will lead this College on its continued journey to ‘Outstanding’!

I am sure you will be delighted to have had confirmed that Irlam & Cadishead College is now a Salford Academy Trust (SAT) school. SAT, Chief Executive Officer (CEO), Kevin Rowlands has welcomed all key stakeholders to the family of schools whose mission is to ensure that SAT students are ‘Safe, Happy and Successful’.

Your Child’s Half Termly Progress Report – Data Assessment Capture 5

Please find enclosed a copy of your child’s personalised Half Termly Progress Report and information about your child’s attendance. If your child is in Year 7 you will have received their Full Year 7 Report at the Parent Consultation Evening held on 13th July 2017.

This year has seen a number of broad and far reaching changes made by the Government to the assessment and examinations process. These include an increasingly challenging final examination in all subjects, often with the removal of the coursework element. It also includes the removal of the previous grading system; this from letters (A* - G) to numbers (9 – 1). You will recall that I wrote to you in the Autumn Term to explain the changes – ***‘Irlam & Cadishead College Response to Assessment Life After Levels’***. It should be noted that the change to numerical grades commenced for English and Mathematics in the previous academic year; hopefully, this will have created some familiarity regarding these reforms for both parents/carers and our students.

Due to these reforms there is a requirement that all schools regularly review and evaluate targets in light of national published performance data. Given our ongoing commitment to responding positively to both ‘Student Voice’ and opinions expressed at our Parent Reference Group, we have completed a review of all year group targets. It is imperative that targets are ambitious, realistic and achievable; targets which serve to motivate our learners on their journey to excellence.
