This week in College, your child will have an assembly outlining the importance of pride in homework and the students have all been encouraged to write their homework timetable into their planners, in order to encourage best practice and organization.

In addition, we would like to extend an invitation to all students to attend 'Homework Club' which runs from 3pm until 4pm every Monday to Thursday.

As always, we know that we can rely upon the continued help and support of our parents and carers to ensure that our students make as much progress as possible.

Yours faithfully,

Mrs C Jones/ Miss D Jaidy
