Dear Parent / Carer,

Re: Year 8 Parent Information and Options Evening

I am writing to invite you to attend our **Year 8 Parent Information and Options Evening on Thursday 19th April from 4.00pm to 7.00pm.**

As part of our Journey to Excellence – ICC students will now take their options in Year 8. This will mean that students have more time to focus on achieving / exceeding their GCSE target grades.

During the evening you will have the opportunity to view samples of work in different subjects and our staff will be available to answer any questions you may have.

In the main hall at **6.00pm** – there will be a presentation by the Senior Leadership Team where you will receive information and guidance regarding the Options process.

As your child reaches this next stage of their education, it is important that you attend this event to ensure that you are aware of the processes and deadlines involved in the selection of Options.

May I also take this opportunity to inform you in advance of the **Year 8 Parents Evening on Thursday 3rd May** where you will have the opportunity to discuss your child's progress in specific subjects with their teachers.

I look forward to seeing you on **Thursday, 19th April between 4.00pm and 7.00pm for the Parent Information and Options Evening** and on **Thursday 3rd May for the Parents Evening.**

Yours sincerely,

T Holdsworth
