Dear Parents/Carers

Whilst United Learning Trust are going about their business, work continues at Irlam & Cadishead College with support from St Patrick's RC High School, Salford Academy Trust and Salford City Council on areas for improvement.

We have approached United Learning Trust to arrange a meeting for parents and local people and will let you know as soon as we can confirm a date. The other SAT schools will be doing something similar.

We appreciate that some staff, parents and pupils may have concerns for Ms Foley's absence and we will update you as soon as we can.

Please use the website to keep up to date on all sorts of things that are going on at the College. Parents may have noticed that there are more individual communications via email from the College. Please ensure your email address is up to date with school so that we can stay in touch.

Our Year 11 students have just finished their exams and we wish them the best of luck.

We are looking forward to rewards and activities week commencing on 2<sup>nd</sup> July and are planning to be ready for the new school year in September, with a fully staffed Maths, English and Science department.

Yours faithfully
