Dear Parents/Carers,

Re: Year 11 Personal Revision, GCSE Examinations and Leavers Assembly

It has been decided that Year 11 students are now in a position to complete personal revision at home for the remainder of their GCSE examinations.

The College timetable will remain in place until Friday, 15th June, 2018 ensuring that any students who still wish to come into College to revise or have revision sessions are more than welcome to. Please ensure that students sign in and out of College at the front reception, should they wish to attend these sessions.

On the day of examinations, students must arrive in College, in full College uniform and assemble on the Heller Up as usual by 8:45 a.m. for a morning examination and by 12:45 p.m. for an afternoon examination.

All students are invited to attend the Leavers Assembly which will be after their morning examination on Friday, 15th June, 2018.

Please can I also remind students who are studying Business Studies, Catering and BTEC Creative Digital Media Production, that after 15th June they still need to continue to attend College for those lessons to complete their coursework. The specific days and times have been outlined in personalised letters already sent home. This is deemed necessary for students to achieve their qualification in those subjects.

We thank you for your continued support and wish all students the very best in their final examinations.

Yours faithfully,

Mrs C Jones,
Senior Leader
