

Our Ref: SLI/JWO

10th September, 2018

Dear Parents/Carers

We are writing as promised to let you know where things are up to with the move of Irlam & Cadishead College into a new relationship with United Learning.

On Monday, 3rd September, Governors and staff were informed by Salford Academy Trust that United Learning and the Department for Education have agreed to proceed with the transfer of all four SAT schools. Following this, United Learning introduced themselves to staff to let them know about the transfer to United Learning. The aim is for this to happen by January 2019.

As Acting Headteacher, Ms Holdsworth will continue to be responsible for the College over the coming term, and we will all be working closely together to ensure a successful transfer. We welcome Frank McCarron, an Executive Principal from United Learning, who is working with staff at ICC to support our school improvement.

Yours sincerely

Sue Lightup
Chair of Governors Irlam & Cadishead College
