Dear Parent/Carer,

**Re: Year 7 Cohort Pending Set Changes**

We are writing to update you about the pending set changes for our Year 7 cohort. The DfE have now published the validated data from KS2 and consequently we are able to fine tune our setting to ensure that every student is supported in achieving their full potential.

The set changes will take place after October half term when each of our Year 7 students will receive their amended timetable. Only a small number of students will find that their timetable has changed, but we wanted to reassure parents and students, that these set changes are to enable us to support our learners in their educational journey and are a normal process echoed across all secondary schools around this time of year.

Should you have any queries regarding this process, please feel free to contact your child's Form Teacher in the first instance or Miss Lloyd, Head of Year 7.

Thank you for your continued support.

Yours faithfully,

Mrs K Larsen-Taylor,  
Acting Assistant Principal QTLA
